RE: FOIA Request #04-048

Dear Mr. Ebner:

Thank you for your request dated July 7, 2004, requesting information under the Freedom of Information Act (FOIA). In your original letter you request information regarding the Contract Specialist GS-12 position you applied on requesting all documents showing the candidates' qualifications, all communications of any kind in any way related to you and/or your candidacy, and all communications of any kind regarding the three selectees, their candidacies and/or selection.

In your follow-up letter, however, you amend your original request to *include* only "... all communications of any kind in any way related to you and/or your candidacy," and *exclude* the request for information for "all communications of any kind regarding the three selectees, their candidacies and/or selection."

Your request was received in this office on July 14, 2004 and has been logged in as FOIA #04-048. As you requested, you will be notified, by mail, if your request requires more than the two (2) hours of search and review time you are entitled to, at no cost, as a private citizen.

Susan Custard, Supervisor, Acquiring & Positioning in Human Resources, has been designated as Authorizing Official for your request. Ms. Custard has 20 working days, until August 11, 2004, to provide a response. Should you have any questions she may be reached at Mail Stop CHP-1 or by calling 360-418-2150.

Sincerely,

A handwritten signature in cursive script, reading "Annie Eissler", is written above the typed name.

Annie Eissler
